Breakfast Club Contract

Dear Parents/Carers,

Breakfast club starts at 7.40am. Children should be brought to Breakfast Club by an adult and will be met at the Hall door. The cost per day is £5.00. Unfortunately, we are unable to accept children at Breakfast Club if there is money owing.

The charge entitles children to breakfast, served between 7.45am and 8.45am. Options include toast, various cereals, milk and water.

A variety of table top activities are offered to children. Children are expected to follow the school rules during Breakfast Club. We will contact you if there are any issues with behaviour. Persistent poor behaviour will result in the child not being allowed to attend the club.

Please complete the slip below.

Yours sincerely

Teresa Clinick
