Friday 28th April 2023

We've reached the end of another busy week at Pensilva. After school clubs have started up again, including Mr Jones' Step Up club. Well done to the enthusiastic children and parents who completed the 1.7 mile walk as part of the club. Gardening club has proved very popular. The children who attended thoroughly enjoyed themselves - as did Doves class when they planted some potatoes this week in their science lesson.

There was another successful football match this week - read all about it below. It always fills me with pride to see children representing the school in sporting and other events. Children enjoy these opportunities and you can visibly see their confidence grow as they compete. Unfortunately, we have had to pull out of the bowls competition due to a lack of numbers. However, we are actively seeking more opportunities for children to represent the school. Watch this space for details of an opportunity to celebrate all of our sporting success over the coming weeks.

I hope you enjoy the first of this month's bank holidays. Fingers crossed the weather is kind to us.

An Amazing Win!

Pensilva football team travelled away for our next league match. I am always proud of our team but this game was sensational. I was able to enjoy the quality of football, the desire to succeed, the togetherness as a team and the positive attitude displayed by all the players. Excellent goals scored by Leo 1, Noah 1 and Cody 2.

Harry our goalkeeper, Thomas, Bradley and Layla were brilliant in defence and enabled us to keep a clean sheet. Noah, Trinity, Leo and Cody worked tirelessly in midfield and moved the ball with great accuracy. The whole team demonstrated a great energy and tempo.

We won 4-0!

I would also like to thank the parents for their continued support, it really is appreciated.

Kings Coronation Celebration

On Friday 5th May, the whole school will take part in a celebration to mark the coronation of King Charles III. To mark this historical event, we will be hosting a 'street party' during the afternoon and we would like children to bring in food donations for all the children to share (enough for approx. 6 children). If donations are home made, please provide a list of ingredients.

We are also inviting children to come to school in non-school uniform dressed in red, white and blue to mark the occasion.
