**Friday 30th June 2023**

Our Year 6 pupils are nearing the end of their journey at Pensilva Primary School. This week, many of them took part in a transition day at Callington Community College ready for their new start in September. That doesn't mean that there isn't a lot to look forward to over the coming 3 weeks.

They, along with the rest of Buzzards and Puffins classes, are busy practicing for a production of Cinderella Rockerfella. I hope many of you will be able to join us to watch on of the performances. Next week, the Year 6 students - along with Mrs Sissons and Mr Jones - are off to Barton Hall for a week long residential full of exciting activities. I'm sure it will be a week to remember.

I have had the pleasure of teaching all the classes over the last week - in particular quite a bit of PE. It's clear that Mr Jones and the rest of the staff have instilled a love of sport in the children. If any children would like to take part in more sports over the summer, I have attached details of some sports camps running at Callington over the summer.

Finally, as a school we recognize the importance of staying safe online. E-safety forms a key part of our computing curriculum. However, it can be tricky to keep on top of the latest technology. As such we are working with a national organization to provide monthly parent newsletters relating to E-safety. The first of which is attached to the newsletter. I hope you find this useful.

As always, I hope you have a great weekend and look forward to seeing you next week.
