Friday 4th November 2022

Wrens class

Today Wrens had a Teddy bears picnic. We made jam sandwiches and decorated biscuits in the morning and then in the afternoon we had our picnic with all of the food that we had made. It was

great for the children to practise their fine motor skills spreading the jam, cutting the bread and squeezing the tubes of icing.

Doves class

Doves have been busy adding and subtracting this week in maths.

In English they have been ordering words alphabetically and looking up definitions of weather related words for their new science topic Wild Weather!

Buzzards class

Buzzards have been very busy in a range of subjects this week. They looked more at classification keys - devising their own to classify big cats and buttercups. In English, they have looked at the poetry of Kate Wakeling. In Maths, Buzzards brought their 'RUCSACS' and have been challenging themselves with lots of problems solving. The Year 6s have developed their use of long division.

Mrs Palfrey's Football Team!

On Tuesday 1st November we visited Callington Community College to take part in Arena Primary Schools Football League Mixed Year 5/6 competition. It was a wet, windy and cold evening, but our team embraced the challenge! I was

so impressed by their team spirit, resilience and positive attitude. It was the first of many matches and I am looking forward to seeing this team progress. Well done Pensilva Football Team, I am proud of you all.

My Jones will be starting a Dodgeball club on Thursday 17th November. The club will be open to Years 2-6 with a maximum of 20 children 3:15-4pm. The club will take place in the school and that is where children will need to be collected from. If you would like to sign your child up to the club, please email secretary@pensilva.cornwall.sch.uk.

Dates for your
