Dear Parents and Carers,

We have been made aware of the following safeguarding information by the School Library Service regarding the series Spy Dogs/Pups and Spy Cat books written by Andrew Cope. These books contain a link to a website which can contain pornographic content. The book asks children to explore the website to find more about the characters in the book. It appears the website identified (on the back or inside back page) www.Spydog451.co.uk has now been compromised and takes users to a pornographic website with no age verification.

We have checked if these are in school and removed where appropriate and would advise you to check in your home library.

Best wishes,
Matt Davies
