Friday 15th September 2023

I can't quite believe that another week has come to an end. The start of term has flown by! By now, school life is in full swing. The children, as always, are showing so much enthusiasm for their learning.

I've enjoyed spending time with each class this week and seeing their commitment and dedication to learning. In Buzzards, the children showed their maturity when learning about online safety. Puffins have impressed with their maths skills and Wrens have enjoyed learning the story of Goldilocks. One of my highlights of the week was going on a habitat hunt with Doves class. We were able to find dozens of creatures living in the school grounds including millipedes, spiders and a range of beetles.

Our new catering set-up is also in full swing. The team at Aspens have worked with our staff and have created an exciting menu. Lots of the children - and staff - have commented on some of the new dishes. The Mexican bean wrap yesterday was delicious! The full menu can be found on our website. There is also a theme day each month - details of September's theme day are attached.

As always, have a great weekend and I look forward to seeing you next week.

Pupils of the Week

Puffins - Emilia - For great effort in and being a pleasure to teach

Doves - Ella - For always behaving quietly and sensibly

Wrens - Reuben - For a fantastic first full week at school

Parking—we have received several complaints about parking at morning drop off and end of day collections.

Can everybody please be mindful of our neighbours and not block driveways or park on kerbs or entrances to cul-de-sac's.

Please also be aware that many of our families walk to and from school and some children ride bikes and scooters.

Morning Drop Off . A reminder that school opens its doors between 8.45 and 8.55 for children to come into school. Children should not be dropped off on the playground before this. If you require childcare in the mornings, we do run a breakfast club every morning.
