Wrens class

This week Wrens have been exploring pumpkins. We did pumpkin writing and had some huge pumpkins in class that we have been scooping out and feeling the texture. We also did some pumpkin printing.

Doves and Puffins class

Barnardo's Workshop

This week, years 2,3 and 4 were involved in a workshop run by Barnardo's about healthy relationships. The children saw pictures of different toys stereotypically for boys or girls and discussed why they were perceived in this way. We all agreed that as long as toys are safe and make us happy it is fine to play with whatever we like.

The children really enjoyed the Punch and Judy show where they were able to discuss what a healthy relationship looks like. We also realised that a family unit can be made up in many different ways. The message that the children took away from the workshop was the importance of feeling happy and safe in a relationship.

Buzzards class

Buzzards Class took part in two Barnardo's workshops with their class adults and the Barnardo's provider 'Sam' on Thursday 13th and Friday 14th October.

They took part in a wide range of activities including watching film clips, exploring situations and deciding on the best choices in those situations and participating in group debates. The workshops have focused on exploring healthy relationships.

Mrs Sissons was very impressed with Buzzards' confidence to share and explore the complex ideas in the sessions.

For more information and photographs from the workshop please look at the Gallery page on our school website.
