Communication and Queries

We kindly ask that your first point of contact for any queries or concerns be your child's class teacher. As they are most familiar with the class routines and daily activities, they are best placed to address many concerns efficiently. This will also help us resolve issues more quickly and build stronger relationships between parents and teachers, which is key to supporting your child's success. Thank you for your understanding and cooperation.

Parking

We kindly remind everyone to be mindful of parking around the school. Parking outside the school and close to junctions can cause difficulties for families walking to school and inconvenience our neighbours. More importantly, it creates safety concerns for our families. Please consider the impact on others and park responsibly to help keep everyone safe.

Online Safety Newsletter

Attached with this week's newsletter is the latest edition of our online safety newsletter.

Wraparound Care

We are pleased to inform you that our new wraparound care hours will begin next week. The Breakfast Club will now start at 7:30 am, and the After School Club will finish at 5:30 pm. Both sessions are bookable via School Money, and we kindly ask that all bookings be made and at least 24 hours in advance.

Please note that if no bookings are made for a particular session, the school reserves the right to redeploy staff accordingly.

We kindly ask that all payment is made at the time of booking; since the beginning of term there is already over £400 in outstanding fees. This could buy over 60 books for the school library.

Parent Governor Opportunities

We are currently seeking nominations for parent governors to join our school's governing body. This is a fantastic opportunity to be involved in important decisions that shape the future of our school. If you are interested, please refer to the full details attached with this week's newsletter. We look forward to receiving your nominations!
