Dear Parents and Carers,

We are delighted to let you know that Puffins Class will be attending a theatre performance of *Grandma on the Moon* by Belinda Lazenby on **Wednesday 12th November 2025** at the Bosvena Events Arts Theatre, Bodmin.

This powerful and imaginative production explores the themes of loss, memory and love from a child's perspective. It balances sensitive ideas with warmth, fun and adventure, using movement, music and drama to tell the story of Timmy and Poppy as they go in search of their grandma who has recently died. The performance aims to support children's understanding of bereavement while celebrating the importance of memories and keeping loved ones alive in our hearts.
