Friday 14th July 2023

Only a few weeks ago, we offered our first girls football club after school. After only four training sessions the team played their first match against Dobwalls School. For many of the team it was their first experience of playing in a match outside of training. They played fantastically, showing great teamwork and determination. It was incredible to see the encouragement they gave each other on the pitch. The result may not have gone our way, but it was an important first step for these young players. I look forward to building on the success of the team next year. Thank you to all the parents who came along to support the team - you really helped inspire them to keep on going.

Next week is our final week before the summer break. On Tuesday, children will have the opportunity to spend time in their new class - see yesterday's letter. There is also the Key Stage 2 performance on Monday afternoon and Wednesday evening. I've heard the rehearsal and must say that I cannot wait to see the final performances.

This week quite a few children have told me they've already signed up for the summer reading challenge. There is still time to sign up at any of Cornwall's libraries. If you complete the challenge of reading 6 books by September, you get a voucher for a free swim session.
