

To Live, To Love, To Learn

A huge congratulations this week goes to our Year 6 children, who have completed their SATs assessments this week. This week has been a chance for them to shine by showing off how much they have learnt in their 7 years at primary school. I could not be prouder of the way they have approached this week. They have been a credit to themselves as usual.

Also, this week we have had our half termly visit from the Education Welfare Officer. Our attendance is still at 94% overall - a huge thank you for all your support in achieving this. It goes without saying that the more a child is in school, the more opportunity they have to learn.

As a write this, the sun is well and truly shining. I hope that it stays this way over the weekend so we can all enjoy the weekend. We deserve it after the washout of the bank holiday weekends!

365 days in each year	<div> <div>175 non school days a year</div> <div>175 days to spend on family time, visits, holidays, shopping, household jobs and other appointments</div> </div>					
	190 School days in each year	10 days absence	19 days absence	29 days absence Half a term missed	38 days absence	47 days absence
		180 days of education	171 days of education	161 days of education	152 days of education	143 days of education
		100%	90%	85%	80%	75%
		GOOD Best chance of success Gets your child off to a flying start		WORRYING Less chance of success Makes it harder to progress		SERIOUS CONCERN Not fair on your child Court action

The year 6 children will soon be selling ice-creams to raise funds to put towards their leaver activities. This half term (Tuesday 23rd and Thursday 25th May) will be after school but this will change after half term. After half term, it will be every Tuesday breaktime and after school on a Thursday (except sports day or the week of 3rd July)

Ice-creams and ice poles/pops/lollies will all be 50p each.
