Club News

With the exception of cross-country, dance and football with Pro20, there will be no clubs the week of 4th November due to it being parents evening week.

Cross Country – Great Trethew

A sensational start to the cross country season with our first race at Great Trethew last Friday. The children demonstrated amazing courage, perseverance and compassion when racing and cheering on their Pensilva team mates. For some children it was their first ever race and others smashed their PBs! We are proud of all the children who took part and are looking forward to our next race already!
